## SVC Junior / Youth Information for Season 2020-2021

Our rather corona-influence football season is over, and hopefully you will enjoy a well-deserved holiday. After the holidays, we will continue where we left off, helping players to enjoy and improve their football.

The Technical Committee (TC) believes that players develop best when they play and train with players of a similar level, and get the challenge in matches that fits with their own abilities. Since the introduction of the corona measures, the TC has been considering how we should proceed next season (in consultation with the board, the youth trainers, and others). The results will be placed on the website als “ PRELIMINARY” teamcompostions.

### Composition of the Junior / Youth Technical Committee

Harold Tjaden is already Head of Education/Training. For the new season, the Junior / Youth TC consists of the following Football Technical Coordinators (VTCs):

- Vacant VTC under 23 and JO19
- Gilbert de Zeeuw / Richard Buitenhek (VTC JO17 and JO15)
- Martin Keus (VTC JO13) as well as Head of Education JO7 – JO12 supporting Harold
- Wout Winkel (VTC JO12 and JO11)
- Arthur Levert / Pepijn Knoester (VTC JO10 and JO9)
- Vacant VTC JO8 (likely to be covered by the head-trainer(s) JO8 until post is filled)
- Vacant JO7
- Ard Buis (VTC keepers)
- Vacant VTC women / girls

### Registered youth teams

At the KNVB we have registered a total of 35 youth teams for the 2021-202 season as SVC'08:

- JO19            2 teams
- JO17            3 teams
- JO15            3 teams
- JO13            3 teams
- JO12            2 teams
- JO11            2 teams
- JO10            4 teams
- JO9             3 teams

- JO8                    3 teams
- JO7                    4 teams
- MO17                 2 teams
- MO13                 2 teams (1 team 11 players and 1 team 8 players)
- MO11                 1 teams
- MO9                   1 team

### Training schedule

The preliminary schedule is shown in the table below, but may be subject to revision. Please check the website or liaise with your trainers prior to the initial training to be sure there have been no changes.
